Reviewed: January 2017

SAFER RECRUITMENT

(Recruitment, selection and pre-employment vetting)

1. INTRODUCTION

1.1 This policy has been developed to embed safer recruitment practices and procedures throughout AL ISLAH GIRLS HIGH SCHOOL and to support the creation of a safer culture by reinforcing the safeguarding and well-being of children and young people in our care.

This policy complies with guidance outlined in Keeping children safe in education 2016 and has been ratified by the Trustees in 2017.

1.2 This policy reinforces the conduct outlined in the Government Office North West Guidance for Safer Working Practice for Adults who Work with Children and Young People as well as the school's whistleblowing policy all staff are expected to be familiar with.

All successful candidates for paid or volunteer employment will be made aware of these documents.

1.3 This policy is an essential element in creating and maintaining a safe and supportive environment for all pupils, staff and others within the school community and aims to ensure both safe and fair recruitment and selection of all staff and volunteers by:

- attracting the best possible candidates/volunteers to vacancies based on their merits abilities and suitability to the position and are considered equitably and consistently
- deterring prospective candidates/volunteers who are unsuitable from applying for vacancies
- identifying and rejecting those candidates/volunteers who are unsuitable to work with children and young people

1.4 The level of DBS check required, and whether a prohibition check is required, will depend on the role and duties of an applicant to work in the school, as outlined in this guidance.

1.5 For most appointments, an enhanced DBS check with barred list information will be appropriate as the majority of staff will be engaging in regulated activity. A person will be considered to be in 'regulated activity' if as a result of their work they:

- will be responsible, on a regular basis, in any setting for the care or supervision of children; or
- Will regularly work in the school at times when pupils are on school premises (where the person's work requires interaction with pupils), whether or not the work is paid (unless they are a supervised volunteer), or whether the person is directly employed or employed by a contractor).

1.6 In addition to the DBS checks described, anyone who is appointed to carry out teaching work will require an additional check to ensure they are not prohibited from teaching.

See the pre-appointments section which follows.

8. PRE-APPOINTMENT CHECKS

8.1 An offer of appointment to a successful candidate, including one who has lived or worked abroad, must be conditional upon satisfactory completion of pre-employment checks

8.2 When appointing new staff, schools and colleges must:

- verify a candidate's identity, preferably from current photographic ID and proof of address except where, for exceptional reasons, none is available;
- Obtain a certificate for an enhanced DBS check with a barred list information where the person will be engaging in regulated activity;
- Obtain a separate barred list check if an individual will start work in regulated activity before the DBS certificate is available;
- Verify the candidate's mental and physical fitness to carry out their work responsibilities. The job applicant will be asking relevant questions about disability and health in order to establish whether they have the physical and mental capacity for the specific role;
- Verify the person's right to work in the UK. If there is uncertainty about whether an individual needs permission to work in the UK, then prospective employers, or volunteer managers, should follow advice on the GOV.UK website
- If the person has lived or worked outside the UK, the school will make further checks where it considers appropriate and verify professional qualifications, as appropriate.

8.3 A DBS certificate must be obtained from the candidate before or as soon as practicable after appointment. Alternatively, if the applicant has subscribed to it and gives permission, the school will use undertake an online update check through the DBS Update Service. Individuals can join the DBS Update Service when applying for a new DBS check; this will allow them to re-use this check when applying for similar jobs.

With the individual's consent, the school can go online and carry out an instant check to see if a new certificate is required

9. POLICY ON RECRUITMENT OF EX-OFFENDERS

9.1 The School will not unfairly discriminate against any applicant for employment on the basis of conviction or other details revealed.

9.2 In view of the fact that all positions within the School will amount to "regulated positions" within the meaning of the Protection of Children Act 1999 (as amended by the Criminal Justice and Courts Services Act 2000), all applicants for employment must declare all previous convictions (including those which would normally be considered "spent" under the Rehabilitation of Offenders Act 1974). A failure to disclose a previous conviction may lead to an application being rejected or, if the failure is discovered after employment has started, may lead to summary dismissal on the grounds of gross misconduct. A failure to disclose a previous conviction may also amount to a criminal offence.

9.3 Under the relevant legislation, it is unlawful for the School to employ anyone who is included on the lists maintained by the DfES and the Department of Health of individuals who are considered unsuitable to work with children. In addition, it will also be unlawful for the School to employ anyone who is the subject of a disqualifying order made on being convicted or charged with the following offences against children: murder, manslaughter, rape, other serious sexual offences, grievous bodily harm or other serious acts of violence.

9.4 The school considers it to be a high risk to employ anyone who has a conviction for serious class A drug related offences, robbery, burglary, theft, deception or fraud, or, if the post involves some driving responsibility, anyone who has been convicted of drunk driving within the last ten years. It is a criminal offence for any person who is disqualified from working with children to attempt to apply for a position within the School.

If the School receives an application from a disqualified person;

- is provided with false information in, or in support of an applicants application; or
- The school has serious concerns about an applicants suitability to work with children;

it will report the matter to the Police, DBS and/or the DfE“ Children’s safeguarding Operations Unit (formerly the Teacher’s Misconduct Team).

10. AGENCY AND THIRD PARTY STAFF

The schools will obtain written notification from any agency, or third-party organisation, they use that the organisation has carried out the checks on an individual who will be working at the school. This would include, as necessary, a barred list check, prior to appointing that individual. Check will also carried out on that the person presenting themselves for work is the same person on whom the checks have been made.

11. TRAINEE/STUDENT TEACHERS

Where applicants for initial teacher training are salaried by the school, the school will ensure that all necessary checks are carried out. As trainee teachers can undertake regulated activity, sometimes unsupervised, an enhanced DBS certificate and barred list check must be obtained.

Where trainee teachers are fee-funded, it is the responsibility of the initial teacher training provider to carry out the necessary checks

12. EXISTING STAFF

If the school has concerns about an existing staff member’s suitability to work with children, the school will carry out all relevant checks as if the person were a new member of staff. Similarly, if a person working at the school moves from a post that was not regulated activity, into work which is

regulated activity, the relevant checks for the regulated activity will be carried out. Apart from these circumstances, the school is not required to request a DBS check or barred list check.

13. VOLUNTEERS

Under no circumstances should a volunteer in respect of whom no checks have been obtained be left unsupervised or allowed to work in regulated activity.

14. RETENTION OF RECORDS

If an applicant is appointed, the School will retain any relevant information provided on their application form (together with any attachments) on their personnel file. If the application is unsuccessful, all documentation relating to the application will normally be confidentially destroyed after six months unless the applicant specifically requests the School to keep their details on file.

15. INDUCTION

11.1 All staff and volunteers who are new to the school will receive information on the school's safeguarding policy and procedures and guidance on safe working practices as part of their induction training.

11.2 All successful candidates will undergo a period of monitoring and will:

- Meet regularly with their induction tutor
- Meet regularly with their line manager
- Attend any appropriate training

16. SUPPLY STAFF

16.1 AL-ISLAH GIRLS HIGH SCHOOL will only use those agencies which operate a Safer Recruitment Policy and supply written confirmation that all relevant checks have been satisfactorily completed. Any information disclosed as part of the DBS check will be treated confidentially.

16.2. AL-ISLAH GIRLS HIGH SCHOOL will carry out identity checks when the individual arrives at school.

17. PERIPATETIC STAFF

15. 1 AL-ISLAH GIRLS HIGH SCHOOL will require that all necessary checks and DBS requirements have been satisfactorily completed for peripatetic staff.

Equal Opportunities

In Al-Islah School, the selection of applicants will not be biased in any way. This includes race, material status, colour, nationality or ethnic origin or any disability. Should any member of staff require legal guidance; reference should be made to any subsequent legislation.
