Message from the Headteacher....

This is our penultimate newsletter of the academic year and as I write this message the seniors are just finishing their exam week and the juniors are just beginning theirs. Our GCSE students began their exam papers on Monday 14th May. It has been an intensive few weeks for them, as they sat the majority of the papers in the holy month of Ramadan but they have remained calm and focused and have shown commendable commitment and stamina. Please remember our Year 11 girls in your duas and we pray that these girls pass their exams with flying colours and may the Almighty make them successful in every step of their lives. Ameen

As we are on the subject of examinations, I would like to take this opportunity to remind all parents and our current students that the End of Year Examinations for all subjects will take place from next week. That is the week commencing 25th June 2018. Please ensure your child spends time at home revising all their subjects as these are very important in determining their progress and expected attainment for the following academic year.

Al Islah Girls' High School Fun Day

14th July 2018

A letter was sent out to all parents last week regarding our upcoming Fun Day event. Our school girls are very excited about this and many entry tickets have already been sold to our students and their families. If you still have not purchased entry tickets then you can still do so from the school office. The entry tickets are 50p each. Tickets will also be available to purchase on the day.

We have also requested items that we can sell in our Bric and Brac stall. Please send in things from home that you no longer need. Items must be in excellent saleable condition and can include toys, games, household collectibles, costume jewellery etc... Please enquire with the school office if you are unsure about an item.

Eid Workshop

I would like to personally say a massive jzk to Apa Sameerah, Apa Marium, Apa Nosheen, Apa Khadija and Apa Hifza who organized and delivered a very successful Eid Workshop for our girls. There were lots of arts and craft activities which included cupcake decorating, designing Eid Cards, chocolate strawberries and mehndi to just name a few! The Workshop was a blast with all the students and staff involved. You can watch a video of the Eid Workshop on our school Facebook page.

Eid Party

The Eid Party took place on Thursday 21st June. The students were treated to a nice lunch and we had some games as well to finish the afternoon off.

Increase in Fees

On the 12th June, I sent out a very important letter with all the girls regarding an increase in fees. The school fees from the following academic year will be £1300.00 annually. This is an increase of only 0.5% and represents the lowest fee increase in several years. The reasons for this change was explained in the letter and I will be holding a Parent Consultation afternoon on Thursday 28th June at 1pm where all parents are invited to come in and view a presentation of the changes that will come into effect from September 2018.

End of Year Trip

The school has decided to take the students and staff to Drayton Manor Theme Park for the End of Year School trip. The trip has been booked for our final day of the academic year : Friday 20th July.
